

ISCRAES 2022 PROGRAMME (PRELIMINARY)

Date	Time	Category			
07-06	18:00-20:00	Registration opening at the venue.			
	19:00-21:00	Reception and networking at the venue.			
08-06	08:00-17:00	Registration continues.			
	09:00-10:00	<p>Welcome speech: Introduction of ISCRAES as a Global Forum</p> <p>Opening speeches:</p> <ol style="list-style-type: none"> Dr. Pippa Hackett, Senator and Minister of State for Land Use and Biodiversity, Ireland. Mr. Frans Timmermans, Executive Vice-President for the European Green Deal, European Commission, Belgium. Prof. Rattan Lal, Distinguished Professor of Soil Science, Ohio State University, United States of America. 			
	10:00-10:30	Coffee break & Networking			
	10:30-12:30	Plenary speech (25 min talk+5 min questions)			
		1. Prof. Roslyn Gleadow , President, Global Plant Council and Head of Plant Science, School of Biological Sciences, Monash University, Australia.			
		2. Dr. Anne Mottet , Livestock Development Officer, Food and Agriculture Organization of the United Nations (FAO), Italy.			
		3. Prof. Frank O'Mara , Director, Irish Agriculture and Food Development Authority (Teagasc), Ireland.			
		4. Dr. Sara McGuckin , Head of Natural Science, Natural Environment Division, Northern Ireland Environment Agency, Belfast, Northern Ireland.			
		Lunch break & Networking			
	13:30-18:00	Parallel sessions: Keynote (20 min talk+ 5 min questions), Oral (12 min talk + 3 min questions) and Flash talks (3 min talk + 1 min questions)			
		Arable Cropping Systems		Grassland Systems	
		Chair: Co-Chair:		Chair: Co-Chair:	
		Speaker	Title of presentation	Speaker	Title of presentation
		Keynote address Prof. Ulrich Schurr, University of Dusseldorf, Germany	BreedFACE: dynamic phenotypes of structure and carbon relations in crop varieties at elevated CO2 in the field.	Keynote address Prof. Nina Buchmann, ETH Zurich, Switzerland.	Multifunctionality of permanent grasslands.
		Oral:	To be included	Oral:	To be included
		Coffee break (Poster and networking)			
		Flash:	To be included	Flash:	To be included

09-06					
	9:00-18:30	Agro-Silvo-Pastoral Systems Chair: Co-Chair:		Decision Support Tools Chair: Co-Chair:	
		Speaker	Title of presentation	Speaker	Title of presentation
		Keynote address: Prof. Maria R. Mosquera-Losada, University of Santiago de Compostela, Spain	Agroforestry – European extent, policy and climate change.	Keynote address: Dr.Iris Vogeler Aarhus University, Denmark	Coupling Remote Sensing and Crop Modelling for Decision Support Systems: Prospects and Applications.
		Oral:	To be included	Oral:	To be included
		Coffee break (Poster and networking)			
		Oral:	To be included	Oral:	To be included
		Lunch break			
		Flash talks:	To be included	Flash talks:	To be included
		Novel Farming Systems Chair: Co-Chair:		Carbon Farming and Nature-based Solutions Chair: Co-Chair:	
		Keynote address: Dr. Franco Miglietta National Research Council, IBE- CNR, Italy	Pale green crops at the crossroads of climate change mitigation and food security.	Keynote address: Prof. Shengli Guo Northwest A & F University, China	The Potential of Soil C sequestration through conversion of cropland into grassland and woodland.
		Oral:	To be included	Oral:	To be included
		Coffee break (Poster and networking)			
		Oral:	To be included	Oral:	To be included
	19:30-22:00	Gala dinner at the venue.			

10-06					
		Novel Farming Systems (Continued)		Carbon Farming and Nature-based Solutions (Continued)	
		Speaker	Title of presentation	Speaker	Title of presentation
	08:30-10:30	Oral:	To be included	Oral:	To be included
Coffee break (Poster and networking)					
		Flash talks:	To be included	Flash talks:	To be included
	11:00-13:00	Panel discussion Moderator: Prof. Bruce Osborne, UCD, Ireland Rapporteurs: 1. Dr. Catherine Farrell, Trinity College Dublin, Ireland. 2. Dr. Stephen Mureithi, University of Nairobi, Kenya. 3. Dr. Ágnes Szepesi, University of Szeged, Hungary.		Towards net zero emissions without compromising agricultural sustainability: what is achievable? Panel members: 1. Prof. Rattan Lal, The Ohio State University, USA. 2. Prof. Roslyn Gleadow, Monash University, Australia 3. Prof. Nina Buchmann, ETH, Switzerland (TBC) 4. Dr. Anne Mottet, Food and Agriculture Organizations of the UN (FAO), Italy 5. Prof. Daniel Rasse, Norwegian Institute of Bioeconomy Research, Norway. 6. Mr. Richard Lindsay, University of East London, UK (TBC). 7. Mr. Tim Cullinan, President, Irish Farmers Association, Ireland.	
	13:00-14:00	Lunch break			
	14:00-16:00	Workshop Facilitators:		Adaptability and Resiliency of Global Agricultural Systems to Climate Change (Tentative)	
	16:00-16:10	Closing speech			
	16:10	Wrap-up
